Wen-Chao (Vincent) Yang
No.56, Shujen Rd., Takang Vil., Kueishan District, Taoyuan City 33304, Taiwan (R.O.C.)
+886-3-3285187 una135@mail.cpu.edu.tw, ORCID: 0000-0002-2120-2774

SKILLS

Project Management and System Analysis:

- Successfully planned and performed the "Campus e-Project" (80 million TWD) at Central Police University
- Successfully performed more than 8 system development projects
- Led engineers in defining clients' inquiries for the use of campus systems

Forensic Science:

- Performed and assisted 18 image forensic cases
- Performed and assisted 3 digital forensic cases
- Performed and assisted 5 document forensic cases

Technical Skills:

- Inter-disciplinary Integration, Forensic Science, Steganography, Computer-Aided Forensics. Camp Lecture Adviser
- Matlab, Python, SQL, Delphi

ACADEMIC AND WORK EXPERIENCE

08/2024 – **Chairman**, *Dept. of Forensic Science*, *Central Police University*, Taoyuan, Taiwan

- Administration Overseeing
- Academic Program Oversight
- Faculty and Student Support
- External Engagement
- Strategic Planning

08/2023 - 07/2024 **Director**, *Public Relations Office*, *Central Police University*, Taoyuan, Taiwan

- Public Relations & Communications Management

08/2021 - **Associate Professor**, *Dept. of Forensic Science*, *Central Police University*, Taoyuan, Taiwan

- Teaching Courses: Crime data mining and machine learning, Forensic multimedia processing, Digital evidence steganalysis, and Introduction to Computer
- Provided forensic service for criminal cases

02/2016 - 07/2021 **Assistant Professor**, *Dept. of Forensic Science*, *Central Police University*, Taoyuan, Taiwan

- Teaching Courses: Crime data mining and machine learning, Forensic multimedia processing, Digital evidence steganalysis, and Introduction to Computer
- Provided forensic service for criminal cases

06/2015 - 01/2016 **Captain**, *Computer Center*, *Central Police University*, Taoyuan, Taiwan

- Management of campus information systems
- Assisted in planning the information budget of the Ministry of the Interior

07/2011 - 05/2015 **Vice Captain**, *Computer Center*, *Central Police University*, Taoyuan, Taiwan

- Analyzed system requirements and developed information systems
- Planning the information budget (15 million per year)

09/2007 - 06/2011 **Technician**, *Computer Center*, *Central Police University*, Taoyuan, Taiwan
- Analyzed system requirements and developed information systems
- Enhanced system efficiency by 10%

12/2002 - 08/2007 **Lieutenant**, *Forensic Science Labs.*, *Central Police University*, Taoyuan, Taiwan
- Drafted laboratory management documentation.
- Courses Assistant

07/1997 - 11/2002 **Assistant**, *Forensic Science Labs.*, *Central Police University*, Taoyuan, Taiwan
- Laboratories management.
- Courses Assistant

VISITING EXPERIENCE

07/2024 **Visiting Scholar**, *GrapheneX-UTS Human-centric Artificial Intelligence Centre, University of Technology Sydney*, Sydney, Australia

01/2019 – 01/2020 **Visiting Scholar**, *Department of Electrical and Computer Engineering*, *Old Dominion University*, Norfolk, Virginia, USA

08/2018 **Visiting Scholar**, *Computational Intelligence and Brain Computer Interface Centre*, *University of Technology Sydney*, Sydney, Australia

09/2015 - 10/2015 **Visiting Scholar**, *The Henry C. Lee Institute of Forensic Science*, *University of New Haven*, West Haven, Connecticut, USA

EDUCATION

09/2004- 12/2014 **Ph.D. in Computer Science**, *National Chiao Tung University,* Hsinchu, Taiwan
- Ph.D. dissertation: A study on reversible and lossless steganography
- Relevant coursework: Computer Architecture, Algorithm, Steganography, and Artificial Intelligence

09/1999- 06/2002 **MBA in Information Management**, *National Central University,* Taoyuan, Taiwan
- Master's thesis: The Research of Keeping Digital Evidence in Untrusted Local Area Network
- Relevant coursework: Information Modeling, Enterprise Computer Networks, Software Engineering, and Intelligent Information Systems

09/1993- 06/1997 **B.A. in Criminal Investigation**, *Central Police University*, Taoyuan, Taiwan
- Relevant coursework: Criminal Investigation, Crime Scene Investigation, Photography, Criminal Law, and Criminal Procedure Law

PARTICIPATION

2026-Now **Board Member**, *The Henry C. Lee Forensic Science Foundation*

2024-Now **Board Member**, *Taiwan Academy of Forensic Sciences*

2020-2024 **Secretary General**, *Taiwan Academy of Forensic Sciences*

2019-2025 **Supervisor**, *The Henry C. Lee Forensic Science Foundation*

2017-2020 **Supervisor**, *Taiwan Academy of Forensic Sciences*

2016-2018 **Course leader and adviser**, *CSI camp* (2 terms a year)

2003-Now **Life Member**, *The Chinese Cryptology and Information Security Association*

2002-Now **Member**, *Taiwan Academy of Forensic Sciences*

RESEARCH PROJECTS

2026 Research on Developing an AI-Based Emerging Technology Handwriting-Assisted Forensic System. (Ministry of Justice Investigation Bureau, 115-1301-10-28-01)

2025	Research on Developing an AI-Based Emerging Technology Handwriting-Assisted Forensic System. (Ministry of Justice Investigation Bureau, 114-1301-10-28-01)
2023	Research on the high-tech investigation framework, and education and skills of the high-tech investigators. (Criminal Investigation Bureau, 112ERC43)
2023-2026	Multimedia Forensics under the Strengthening Forensic Science in Response to Judicial Reform (Ministry of the Interior, 112-0805-02-28-01~115-0805-02-28-01)
2022-2023	Third-party inspection of X-ray image AI recognition (National Chung-Shan Institute of Science and Technology)
2020-2021	A study for deepfake video detection and prevention with AI collaborative analysis (MOST 109-2221-E-015-002 -)
2018-2020	A platform for tracing origins of digital image/video evidence with AI collaborative analysis (MOST 107-2221-E-015 -003 -MY2)
2017-2018	A study and implementation of the tracing origin framework of digital image/video evidence in Taiwan (MOST 106-2218-E-015-001 -)
